CAMPUS LIFESTYLE

- Nelson has a unique campus and you're never too far from anywhere...
- Further study in business, tourism and IT.

Are you looking for more than just language skills from your English school?

Nelson English Centre. A Leading New Zealand **English Language School**

Nelson English Centre - Successful in helping students since 1995.

Our school has **personality**. We are not a chain school, but owned by a teaching Director helped by proud Nelson staff. The school has a 'buzz' and you will have the time of your life.

Nelson is **small and lively**. It has a campus feeling with cafes and style. People are friendly and talk to you in English.

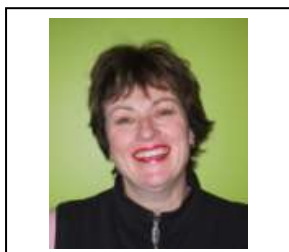

Most variety. Golden beaches, forests and mountains one hour from the city centre. We can't think of any place in New Zealand with so much **variety**.

Excellent for Long term study. English at Nelson English Centre plus business, Tourism, or IT at our partner institute for further study - Nelson Marlborough Institute of Technology.

We Care. Welfare Team

Nelson English Centre employs staff that enjoy looking after and helping our students and we take pride in a friendly and welcoming school climate. In addition, each welfare staff member has specific responsibilities and is available for any situation where students need support.
